Blue Light PCT Competition

Dear Parents

Your child has been selected to participate in the Blue Light Canterbury Schools PCT Competition run by the New Zealand Police.

The event will involve participating in the Police Physical Competence test, a general knowledge quiz and a fear factor type competition. On the day the children have a chance to qualify for the national competition that takes place in Wellington on 2 May.

There will be no cost to your child and transport will be provided, by car, to and from the venue on the day.

If you have any questions either send me an email or give me a call at school in the morning.

Many thanks
Greg Brown

Parental consent

I have read the information above. I approve _____ participation in the EOTC event. I approve them traveling by *private car* from school to the venue and return.

I authorize the obtaining on my behalf of any medical assistance if, in the opinion of the teacher, such treatment is necessary, and agree to meet any medical costs. To the best of my knowledge my child has no medical or physical disability that will impact on the EOTC event.

Acknowledgment of risk

I understand that there are risks associated with involvement in school EOTC events and that these risks cannot be completely eliminated. I understand that the School will identify any foreseeable risks or hazards and implement correct management procedures to eliminate, isolate, or minimise those hazards. I acknowledge that I have been given an opportunity to view the Risk Management Plan online. I know that I am able to ask any questions of the School about the activities my child will be involved.
